Acceptance of Responsibility

XXXXXX accepts full responsibility for and legal ownership of the horse from the date it is collected from EquiPrep.

Insurance

Responsibility for arranging and maintaining horse insurance shall rest solely with XXXXXX.

No Warranty or Guarantee

WML offers no warranty or guarantee as to the horse's fitness, soundness, or future performance.

Liability Disclaimer

WML accepts no liability or responsibility for any past, present, or future health issues, ailments, or any non-disclosure.

Welfare Commitment

XXXXXX agrees that the horse's welfare will always be prioritised. The horse must have access to suitable shelter, fresh water, appropriate feed, companionship, and veterinary care as required. Regular farrier services must be maintained to ensure hoof health, whether the horse is shod or barefoot.

WML has a service agreement with BHS, which can be viewed in Annex 1 (see below). This constitutes part of the rehoming agreement.

BHS Inspection

[FULL NAME] is advised that as part of our endeavours to keep track of all our retired horses, it will be our intention to ask the British Horse Society to send one of their inspectors to your premises to firstly run a suitability check and then if rehomed to you, for the BHS to provide progress reports to WML accordingly. This constitutes part of this rehoming agreement. All BHS costs will be met by WML.

See Annex 1 of this agreement, for details of the BHS involvement.

- The first inspection following rehoming would be at a prearranged date and time, approximately six months from the date you became the new owner and then twelve months thereafter and then every 24 months thereafter.

- The inspector may take photographs and videos.

Once we have BHS clearance, the horse will be ready for you to arrange collection from EquiPrep at your expense, at a mutually convenient date and time.

Resale or Rehoming Notification

Whilst we hope that any rehomed horse is being given a home for life, we accept that situations may change. Therefore:

[NAME] agrees that if they sell, loan, transfer, lease, or rehome [HORSE NAME] to a third party (whether for monetary value or not), they shall:

- Notify WML in writing, with full details of the new keeper of the horse, within 30 days of the transfer.

The purpose of this clause is to help achieve 100% traceability of WML retired horses.

Passport and Registration

WML agrees to surrender the horse passport (Number: [Insert Passport Number]) to XXXXXX and notify the Weatherbys Passport Office of the change in ownership.
XXXXXX agrees to register the change of ownership with Weatherbys within 30 days of acquiring the horse.

Governing Law

The law governing this agreement shall be the Law of England.
