to [NAME] for the sum of £1.20 (one pound and twenty pence sterling).

2. Acceptance of Responsibility

[FULL NAME] hereby:

3. BHS Inspection

[FULL NAME] is advised that as part of our endeavours to keep track of all our retired horses, it will be our intention to ask the British Horse Society to send one of their assessors to your premises to firstly run a suitability check and then if rehomed to you, for the BHS to provide progress reports to WML accordingly. This constitutes part of this rehoming agreement. All BHS costs will be met by WML.

See Annex 1 of this agreement, for details of the BHS involvement.

- The first assessment following rehoming would be at a prearranged date and time, approximately six months from the date you became the new owner and then twelve months thereafter and then every 24 months thereafter.

- The BHS assessor may take photographs and videos.

Once we have BHS clearance, the horse will be ready for you to arrange collection from xxxxxxxxxx at your expense, at a mutually convenient date and time.

4. Veterinary Assessment

[NAME] is advised to obtain a veterinary report at [his/her] own expense prior to completion of this transfer.

WML bears no responsibility or liability for any existing or future health issues.

5. Progress Updates

- Provide annual updates, thereafter, including a written report and still photograph and/or videos, which WML may share with its customers who had a share in [HORSE NAME].

6. Passport and Registration

- WML shall surrender the passport to [NAME] and will notify Weatherbys Passport Office of the change of ownership.

- [NAME] agrees to notify Weatherbys within 30 days of acquisition.

7. Non-Racing Status

[NAME] acknowledges that [HORSE NAME] is subject to a BHA non-race agreement and may not return to competitive racing.

8. Resale or Rehoming Notification

Whilst we hope that any rehomed horse is being given a home for life, we accept that situations may change. Therefore:

[NAME] agrees that if [he/she/mx] sells, loans, transfers, leases, or rehomes [HORSE NAME] to a third party (whether for monetary value or not), [he/she/mx] shall:

- Notify WML in writing, with full details of the new keeper of the horse, within 30 days of the transfer.

The purpose of this clause is to help achieve 100% traceability of WML retired horses.

9. Use of Horse's Name and Image

[NAME] agrees that neither they, nor any third party acting on their behalf, shall use [HORSE NAME] racing name or alternative name, likeness, image, reputation, racing history, or association with WML for any commercial or non-commercial, promotion, advertisement, sponsorship, endorsement, fundraising, merchandising, or breeding purposes without the prior written consent of WML.

This restriction includes, but is not limited to:
